To Whom It May Concern,

Last July the University of Almería (Spain) had the privilege to be granted with an Erasmus Mundus project and was selected as the Coordinator, together with the Islamic University of Gaza as a Co-coordinator. Our project, PHOENIX, is an Erasmus Mundus Action 2 – Strand 1.

The PHOENIX Project grants scholarships which include a monthly allowance, travel, insurance and participation costs, to students (undergraduate, master, PhD, post-doctorate) and staff members from Jordan, Lebanon, Palestine or Syria to undertake a mobility period or full degree in a partner University in Europe. Europeans from Spain, Portugal, France, Finland, Belgium, Germany, Poland and Italy will also be able to apply for the scholarship and study or work in the Middle East.

On behalf of the PHOENIX Consortium, we have the pleasure of informing you that the call for applications is now open until the 22nd of January. Whenever the selected scholarship holders are informed of their grant, the embassies in Palestine, Jordan, Lebanon and Syria will start receiving Visa applications for Europe (April/May 2014). Mobilities will then start to take place in August/September 2014.

We would like to kindly ask for your cooperation in the dissemination of the project, forwarding this information via e-mail or newsletter, or posting it on your web or social networks. Your help could be determining to reach potential candidates who do not belong to a partner institution or to candidates belonging to a vulnerable group (a.k.a Target Group 2 and Target Group 3).
